

1. In accordance with the relevant clauses of the Copyright Act 1978 and/or of 1988: regarding acquisition, all documents prepared by the Contractor jointly in connection with the design and construction of the project shall be the copyright of the Employer. The Employer shall be entitled to use the documents, subject to their use by the client for the particular project to which this document relates, and the client shall not be entitled, either directly or indirectly, to make use of the document(s) for any other project or for any other purpose without the prior written consent of the Employer.
2. The Employer shall be deemed to have acquired with the National Contract Authority (RINA).
3. The contractor shall in all aspects of the works comply with the provisions of the Italian Law on Health and Safety (Legge 30.09.1983 n. 461) and the regulations promulgated in terms of that Act or the Factory Machinery and Working Scales Act.
4. The contractor shall use all documents and maintain a quality assurance and quality control system in accordance with the requirements of the Italian Law on the Architect, that of materials and workmanship, whatever their sources, meet the requirements of the relevant standards.
5. This drawing must be read in conjunction with all the relevant drawings and specifications issued by TAPF, engineers, and other consultants.
6. The contractor shall be liable for any errors or omissions in the drawings before putting work in hand.
7. The drawings are in millimetres unless otherwise specified. This drawing is not to be scaled. Pencil dimensions to be used.
8. All dimensions and levels must be checked on site by the contractor before putting work in hand.
9. All work to be executed by competent persons qualified for the specific trade.
